

ST. MARY'S
ACADEMY

Math Teacher (Part-Time)

GENERAL SUMMARY: Seeking innovative and collaborative math educator for unique college prep setting. Certification through Calculus required preference for AP Calculus experience. Be community minded, love your work and be inspired by the mission of the Sisters of the Holy Names of Jesus and Mary. Additional duties include teacher advisory/homeroom and in-house substitution. Candidates of color are encouraged and welcome.

A creative, future-focused philosophy for program expansion to serve the needs of students from high school through career is a foundational goal of the St. Mary's Mathematics Department, the ideal candidate should be able to contribute dynamic energy to these endeavors. Additionally, the candidate will demonstrate strong interpersonal, communication, and organizational skills; familiarity with the goals of an independent college preparatory school for young women and the ability to respond effectively to the needs of a diverse student and parent population with high expectations for teaching and learning.

QUALIFICATIONS: Bachelors or Master's degree in Secondary Education with Math major or emphasis. Current Oregon TSPC Licensure required with math endorsement required. Experience with CPM or discovery math highly preferred.

Salary and Benefits: Salary will be commensurate with qualifications and experience. Benefits include medical, dental and vision coverage, retirement plan, life insurance, holidays, personal day and sick leave.

This is an opportunity to be part of a dynamic and innovative faculty that values critical thinking and positive-student teacher relationships.
