

Dear Parents and Guardians:

Please note the following updates about Absences and Internet while we are in Extended Digital Learning Protocol.

If a student is unable to engage in digital work for any reason, then a parent/guardian must email [Lisa Thompson](#) at by 11:00am. The student will be excused absent in PowerSchool for that day. Teachers will provide extensions or exemptions as needed per their usual practice regarding absences. If a parent/guardian does not email to confirm an absence, then their student is considered present for the digital learning day and will be expected to participate in all online classes and complete all assigned work.

If a student does not have regular access to the internet at home, parents/guardians or faculty should notify [Liane Rae](#) Assistant Principal of Curriculum Design and Instruction and [Brette Doyle](#) IT Director as soon as possible.

Thank you for your help as we navigate this new world,

Liane Rae  
Assistant Principal of Curriculum Design and Instruction
