

Dear St. Mary's Families:

Thank you for your support over the last few days while our administrative team has made many difficult decisions in the best interest of our community. In my last communication I let you know that I would be reaching out again by March 26, but so much has happened in Oregon over the last 24 hours that I wanted to update you today. Please know that these plans may change as the situation evolves.

First, please note the following change: We have amended our schedule and are extending digital learning to the week following Spring Break. Again, we may need to make additional extensions but, at this time, please plan on these revisions.

Revised Schedule:

March 16-March 20	Extended Digital Learning
March 23-March 27	Spring Break
March 30-April 3	Extended Digital Learning
April 6	School Re-opens

We want to remind you that the expectation is that other than Spring Break, **all other days will be digital learning days.**

Additional updates:

Mother Daughter Beach Day: Regretfully, the Mother Daughter Beach Day is cancelled.

Baccalaureate & Graduation: We will keep you updated on these important events.

I emailed students earlier today encouraging them to be kind and patient with themselves and their teachers as we all do our best under these circumstances. While we know that we've prepared extensively for a situation such as this, we know that there will be successes and challenges that might not have anticipated. I also encouraged students to look for opportunities to get out into nature for a walk, to read a book they've always wanted to read, or to prepare a meal with family.

All of us at St. Mary's look forward to the day, hopefully in the very near future, when we will be together again as a school community. Until that time, may God bless you and keep you safe.

All my best,

Nicole Foran
Principal
